Company Announces Closing of Eddystone and Cromby Stations

On Tuesday December 1, 2009 the Union was officially notified by the senior management of Exelon Power that the Exelon Board of Directors had voted to close Eddystone 1 & 2 and Cromby 1 & 2 Units. The cost of generating using coal fired units was the largest factor in the decision. The closings will affect approximately 200 bargaining unit positions in Power. On Wednesday December 16th, the Union and the Company entered into Effects bargaining to attempt to secure positions elsewhere in the Company for as many Local 614 members as possible and to negotiate a fair severance package for those members who chose to take separation. The bargaining will continue into early January.

PECO Energy Delivery Ratifies Tentative Agreement

On Wednesday, December 9, 2009, the ballots were counted for the PED Tentative Agreement. The result of the count was 55% of the voting members elected to accept the Tentative Agreement. Voting was held on Monday and Tuesday December 7th and 8th and also on Wednesday December 9th.

Thank You from Local 614

The Officers and Assistant Business Managers of Local 614 would like to thank each of the members of the Call Center and Energy Delivery who took the time to come out and vote on their respective tentative agreements. Both agreements will go into effect on April 1, 2010 at the expiration of the current agreements. The \$1000.00 ratification bonus should be in the paychecks either at the end of January or early February 2010. Members who were bargaining unit employees on the date of ratification and who are on the active employee list at the time of the payment will receive the bonus.
