Serco Employees to Vote

Local 614 and the management of Serco reached a Stipulated Agreement with the approval of the National Labor Relations Board thereby eliminating the need for a formal hearing before the NLRB. The approximately 50 employees will vote on Wednesday July 2, 2008 to decide whether or not to become represented employees and members of IBEW Local 614.

Grievance Filing

Stewards in the PED (PECO Energy Delivery) and the PCC (PECO Call Center) are reminded that when submitting a step 1 grievance form, the form must be filled out completely. That means all sections on the first page above the Step 1 Answer of Supervisor must be completed including signatures of the employee, steward **and** the employee's supervisor. **The submission of the grievance cannot occur until the issue has been discussed with the employee's supervisor.** Please refer to Article X of the respective Collective Bargaining Agreement for more details.

General Meeting

The next general meeting for LU 614 will be Wednesday July 9, 2008 at 7:30 pm at the IBEW LU 654 hall.

Joint Wage Compensation Committee

Local 614 and the Company have mutually agreed to extend the time frame set forth in Exhibit A, paragraph 6 of both the PED and Call Center Collective Bargaining Agreements. Under this Memorandum of Agreement, the June 1, 2008 dates will be moved to October 15, 2008, the June 30, 2008 date will be moved to November 14, 2008 and the September 1, 2008 date will be moved to January 31, 2009. The MOA was made in order to allow for the discussions to continue in an effort to agree to a Transition Plan.

Further information should be available at the next general meeting.
